Vanessa Ryan-Rendall  
Educator  
Creator of teacher notes

I was impressed with Vanessa's professionalism...she has compiled a 15 page document that will allow educators and students an opportunity to explore conversations and different layers of the book.

I was amazed at how Vanessa meshed together the teacher notes for my picture book Hayden's bedtime, and how she found numerous ways to address the school curriculum.

The teacher notes prepared for me were well thought out, comprehensive and completed in a timely manner.
